September 27

^{24.15} Do not lurk like a thief near the house of the righteous,
do not plunder their dwelling place;
¹⁶ for though the righteous fall seven times, they rise again,
but the wicked stumble when calamity strikes.

1. Why would anyone 'lurk' around someone's house?
2. How do they righteous rise when they fall?
3. Why do the wicked 'stumble'?
