
BIBLE CENTER CHURCH BULLETIN

SEPTEMBER 12, 2021

10:45 AM Return to Online Broadcasting Only

With the damage to our facility and widespread loss of power to our area, we are returning to online only for a little while. We do this recognizing that if you are living in St Charles Parish, you may have no Internet. Others are residing temporarily elsewhere, and this may be your primary link to our church family.

Already we have been ministering daily through our September Wisdom Challenge. If you have the [MySermonNotes](#) app, you are getting notifications. You can also access it anywhere in the world through our website biblecenter.org where it is featured along with a study guide.

This Sunday, September 12, we will be posting a message from our Pastor. We will try to help one another today by returning to a passage we have already dealt with as part of a larger unit: *Jesus Calming the Storm* in *Matthew 8:23-27*.

ANNOUNCEMENTS

Insurance

We met our insurance adjuster Tuesday and he is going to get us help in tarping both roofs. The Activity Building took a major hit and some of the roof with its decking landed in the parking lot.

The adjuster also said he would recommend re-roofing both and taking care of the many areas of the interior damaged by rainwater. We thank the Lord that we were able to switch our insurance to Brotherhood Mutual. Let's pray they follow through so we will be able to use the buildings again soon for services as well as ongoing relief work.

Are You Free Monday at 9?

We have a dumpster at the facility and need help picking up all the debris around the outside of the church. We have a big chunk of our roof plus shingles from all over that needs to be picked up before we can safely use our parking lot and get the yard in shape. If you can help, we would appreciate it.

Use our [Contact Form](#) to tell us about yourself, give feedback, request prayer, volunteer to help, etc.

2. How does knowing that Jesus is man and God help you conquer your fears?
